IMPACT CPAs LLP/ChimSeto CPAs LLP, Ontario limited liability partnerships

Dear Clients,

On July 21, 2020, the parliament passed Bill C-20 that significantly revised the Canada Emergency Wage Subsidy (CEWS) program, and confirmed that the CEWS will be extended to December 19, 2020. To help our clients better understand the new CEWS 2.0, IMPACT/ChimSeto CPAs will provide a 1.5-hour Zoom webinar on:

- A quick recap of all the COVID-19 federal government assistance programs;
- Focused walkthrough of the CEWS 2.0 wage subsidies calculations;
- Discussion of various CEWS 2.0 new rules, including the extended options of Baseline Remuneration and its impact on owner-managers; and
- Interactive Q&A.

The webinar will have two separate sessions: Next Wednesday August 5th at 10:00 AM (in English) and 2:00 PM (in Chinese Mandarin).

Please RSVP to service@impactcpas.ca as there is a limited space of 100 spots per session. Specify which session that you will attend.

Note: If you are new to Zoom, please down load the software (laptop) or app (mobile) and make sure you can log in. We will open the meeting 10 minutes before the start time. It is recommended that you use your computer to watch the webinar,
