Dear Clients,

Yesterday, the government proposes to introduce the Canada Emergency Student Benefit (CESB), which would provide \$1,250 per month for eligible students from May through August 2020, and \$1,750 for students with dependents and those with permanent disabilities. The CESB will be delivered by CRA and more details to come.

The government will also launch a new initiative to recognize students' significant contributions to the COVID-19 efforts, and provide support through a new Canada Student Service Grant which will provide up to \$5,000 to support student's post-secondary education costs in the fall. More details will be made available on the I Want to Help platform over the coming weeks.

As more details are made available, we will update our webpage for COVID-19:
